Related subject: Trinity Ward, Stroud

I strongly object to the proposed move of Trinity Ward out of Stroud Town and into Painswick and Bisley. It seems wholly illogical, let alone ungeographical! These are wholly different areas, wholly different types of place/demographic, and aside from the people and proximity to town, Trinity church, Stroud hospital, Crown and Sceptre, Daisybank, Trinity Rooms community centre etc are hugely important local facilities, hubs etc at the heart of our community.
