**Related subject:** Trinity Ward proved changes

I am writing to object to the proposed changes to Trinity Ward in Stroud. I live in this Ward (in Bowbridge Lock), 15 min walk from Stroud Town centre. It seems crazy to align my road, plus Stroud hospital and Stroud Valleys School, to Painswick and Bisley. Our part of Stroud would be on the outlying part of Painswick and Bisley, and it will be almost impossible for any representative to have a good working relationship with so many different councils, and so I feel we will not be well served within stroud.
