Comment text:

Related subject: Walton

Dear Sirs,

In submission for the local boundary review. I would

Propose the addition of Walton into Wakefield South. The area naturally combines together due to community groups.

- 1) local primary school connections
- 2) local secondary school connections
- 3) bus routes are connected
- 4) connection is area through Walton Lane and Walton Station Lane.
- 5) was previously part of the same ward and split.
- 6) connection of community groups and shared historical heritage
