I apologise for the delay in putting forward this submission. There appears to have been some confusion about the deadline date but I understand from Mark Tolson, Scrutiny and Political Support Manager at Wakefield Council, that I should submit this direct to you.

I am a District Councillor for the Altofts and Whitwood Ward No. 3 of Wakefield Council. My ward colleagues (Councillor Jo Hepworth and Councillor Josie Pritchard) and I would like to submit to you our preferred proposal for boundary changes to our Ward. My colleagues will both email you, separately, to confirm their views.

We would suggest that some of our housing and electors be transferred to the Castleford and Glasshoughton Ward No. 4. Please see the enclosed map detailing the proposed area to be transferred, edged in red. This comprises parts of polling districts O3NE, 03NH and 03NJ amounting to approximately 1395 current electors plus an estimate of 156 electors for housing commitments. This area adjoins polling district 04NH of the Castleford and Glasshoughton Ward No. 4 and, in our opinion, would represent a good community fit as many property occupiers along Bruce Smeaton Way, close to the Recycling Centre (situated in Ward 4) , view themselves as living in Glasshoughton.

Please let us know if you require any further information. We will be happy to help if we can.
