Comment text:

Related subject: Oxshott

I disagree and absolutely do not support splitting Oxshott into two. We have to fight for any sense of community that is possible due to heavy and constant fast traffic, big housing developments underway and I believe it is imperative to retain a holistic sense of community within one boundary to the extent we can. Joining Cobham and Esher boundaries will only help to dissolve any sense of local community and neighbourhood that we have and work so hard to maintain.
