I am not in support of Bell End and Bell Heath being removed from the Clent Hills Division and placed into the Woodvale Division. The residents of Bell End and Bell Heath see Belbroughton as the place they go to for their GP, local shop, Primary Education and general connection for social interaction in the Public Houses and open spaces. The children progress from Belbroughton Primary School to the High Schools in Hagley also part of the Clent Hills Division. The removal of these areas would lead to residents of Bell Heath and Bell End being disconnected from the area that they relate to on a daily basis. The areas sit at the foot of the Clent Hills the name the Division carries.
