

Worcestershire

Personal Details:

Name: Mr Keith Wiseman
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: Alvechurch Parish Council (Parish or town councillor)

Comment text:

Related subject: Alvechurch

The 2 areas that you plan to merge together have vastly different demographics and therefore wouldn't supplement each other when looking at policies, (eg the local neighbourhood plan), core funding, precept setting or looking t grant applications. The areas themselves, although they border each other, are vastly different and have vastly different needs such as transport, housing, schools, etc.
The positive individuality of the area is best served by staying with the current arrangements.
