## Comment text:

**Related subject:** The proposed Rushall/Shelfield Ward.

At our last Parochial Church Council meeting on 1st February 2024 we included your new boundary proposals on our agenda. Following discussion our PCC are in favour of the new Rushall/Shelfield Ward. At the moment our parish of Rushall spans two wards meaning a different set of councillors for different parts of the parish. Engaging with one set of ward councillors on any issues within our parish will be an advantage for all concerned and help in building relationships between our churches in Rushall and council representatives.
