Related subject: Blewbury & Harwell

It is clear from the elector numbers that Western Valley / Harwell / Blewbury ward will be seriously under-represented over the next few years, and increasingly so as the Western Valley development continues to grow post - 2027. It would be a sensible move to create a ward specifically for Western Valley, to represent the growing population. OCC plans to create a Western Valley / Harwell district, VoWH should acknowledge the growth of the parish with its own representative.
