Related subject: Willenhall

I am a resident of the Honeybourne estate, I live here with my husband and three children. I am disappointed to see the Boundary Commission propose Honeybourne to be placed in the Short Heath Ward. The Honeybourne is a distinct area of the Willenhall South community, with many of our residents utilising community provisions and facilities within the Willenhall community. My children attend local Willenhall school St Giles. I do not recognise Honeybourne being an area distinct to ShortHeath. I would urge the boundary commission to consider alternatives which border ShortHeath such as Thorne Road and Clothier Street which borders the playing fields in ShortHeath area.
