**Postcode:** [REDACTED]

**Organisation Name:** Wolverley & Cookley Parish Council (Representative of parish/town council)

## Comment text:

Dear Sirs

Wolverley and Cookley Parish Council at their meeting 6th February 2024 discussed the Local Government Boundary Commission consultation on draft recommendations.

In respect of Worcestershire County Council the Parish Council wholeheartedly support the proposals for the Wyre Forest Area.

In respect of the proposals for Wolverley and Cookley Parish Council, the Parish Council unanimously resolved to oppose the current proposal and request that the LGBC make no changes at the current time as Wolverley and Cookley Parish Council have formally requested that Wyre Forest District Council undertake a Community Governance Review in respect of the current Parish Council, given the housing growth at Lea Castle.

if you require any further clarification do not hesitate to contact me.
