Organisation Name: Marcham Parish Council (Representative of parish/town council)

Comment text:

Marcham Parish Council notes that a review of the ward boundaries for the Vale of White Horse District is being undertaken. There is a proposal for 2750 dwellings at Dalton Barracks in the adjacent parish. The Council would therefore ask that, if possible, the construction of these dwellings be taken into account once construction commences, to ensure adequate representation should they be completed and occupied before the next scheduled review.
