Westbere Parish Council considered the Local Government Boundary Commission draft recommendations for new wards, ward boundaries, and ward names for Canterbury City Council at its meeting of 18 March 2024.

Councillors were not opposed to the proposed splitting of the Sturry ward into a two-councillor ward and a single-councillor ward.

However, councillors agreed to write to the LGBCE and request that the new ward name be “Hersden with Westbere”, rather than just Hersden, please.
