I live in Rowstock, a small community surrounding the junction of the A417 and the A4130/A4185 at Rowstock roundabout. Some of Rowstock is in East Hendred, some in Harwell and some in Milton. This makes it hard to get our voice heard on issues that affect us - principally road and footpath related. To help, a residents association has been set up with some success. Rowstock in its entirety should be in one parish and given most Rowstock homes are in East Hendred, we should all be East Hendred.
