**Related subject:** South Jesmond / Ouseburn ward boundary

At the last review Harrison Place, Gladstone Terrace, Chester Crescent, Portland Road and parts of Chester Street and the Milton Green estate were moved into the southern tip of South Jesmond ward. These streets have little in common with Jesmond to the north. They are part of the local Shieldfield area immediately to the south, which is now Ouseburn ward. There is far more affinity in the above streets to Ouseburn ward. It would make sense demographically and socially to move these streets back into Ouseburn ward.
