Related subject: Wroughton and Wichelstowe

I have recently moved to Wichelstowe and I was surprised that we come under the Wroughton area. I don't consider us to live in Wroughton and I identify more with Swindon. Indeed Wichelstowe is a suburb of Swindon rather than a part of Wroughton. I feel it would be more appropriate to join with a Swindon constituency or, seeing as Wichelstowe is expanding all the time, Wichelstowe could have its own constituency.
