**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Penhill

Please do everything you can to get the old Penhill Ward boundaries back i.e. down to the Crossroads and across to the boundary with Haydon wick. Please do everything you can to get Penhill out of Central Swindon North Parish, we stand no chance of being listened to, or any respect for our plans whilst we remain in that Parish. Far too much hostility and disrespect to the people and area. The absolute bare minimum has been achieved whilst being in that Parish.
