**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** West Swindon, Lydiard and Freshbrook

I'm not sure what the boundary changes are proposed to be so far, but the general boundaries of Lydiard and Freshbrook appears to be sufficient and ought not be changed. West Swindon as a whole appears to accommodate a number of people who all share the same facilities and infrastructure (The Link Centre, Shaw Ridge Leisure Park, West Swindon Asda, etc.). There is no reason to subdivide or expand the boundaries any further, insofar as I can tell. The population of the wards and parish has remained relatively consistent and will continue to be so unless something wholly unforeseen happens, which requires no change to its boundary or representation.
