I completely disagree with the proposal to move Barmoor from Ryton to Crawcrook ward. Gateshead council as usual, did not fairly consult with the local people to find their views. On the contrary they were recently told it had already been decided by the council and there I was nothing they could do. If this is true then this is an unfair consultation.

The majority of people who live in Barmoor, Fairfields and Reasby Gardens (the later two have never been classed as Barmoor) class themselves as Rytonians and have less affiliation with Crawcrook.

There is a natural strategic green belt gap between Crawcrook and Ryton which would be lost if Barmoor was moved into Crawcrook ward. At the other end of the ward is Stella. Stella is more affiliated to Blaydon for local services. Perhaps this would be a better way of changing the boundary.
