I feel the Carnegie Library building should be incorporated in to Victoria Ward. The boundary diverts into College Rd and up Carnegie Avenue to put it into Blundellsands Ward. It looks wrong and is. The building, whatever its future, is part of the College Road community and has no historical connection to Blundellsands as far as I am aware. There is no voter occupation in this small parcel of land and it would not alter the voting demographic. The boundary should run from Mersey Rd directly up Coronation Rd to correct this anomaly.
