**Name:** [REDACTED]  
**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** n/a (Member of the public)

## Comment text:

**Related subject:** Worcestershire - Powick

The name needs to better reflect the geography of such a large north-south orientated area. Powick is only one small aspect, right at the northern end. Suggest 'Powick and Longdon' to recognise the historic Longdon Marsh which once covered a significant bulk of the southern half of the area, and which gives its name to settlements, roads and properties in this location.
