## Comment text:

The planned changes are extremely difficult to understand and the rationale even more so.  
It does not make any sense to have the Town Council different to the County Council - which is against previously agreed plans.

Town Council Wards - why change Areley Kings from 3 to 2 councillors and west from 2 to 3? Why split Lickhill into East and West when it is so small?

Is the plan to confuse the general public? It's very unclear how these changes will feel relevant and memorable.

I feel the people suggesting these changes need to walk through the relevant streets, look at the obvious natural boundaries and then talk to the locals.
