Related subject: Lickey and Blackwell Parish / Bromsgrove East Division

I have been informed that it is proposed that it is proposed that the proposed changes to the ward boundaries will mean our road will become part of the Beacon Ward rather than the Shepley Ward. Currently the Shepley Ward is linked to the Lickey and Blackwell Wards with a focus towards Bromsgrove and its surrounding areas. The proposal for my road (Mearse Lane) become part of Beacon Ward will link us more with Rubery, Rednal and Birmingham. The interests and priorities that concern and interest me are much more aligned with the issues of Lickey, Blackwell, Burcot, Finstall, Tardebiggge which are all rural areas. Rubery and Rednal are much more urban areas. To become part of Beacon Ward would mean that the issues, concerns and interests I have would not be appropriately or adequately served. As such I am opposed to the revised boundary changes being proposed. Lickey Square, Mearse Lane, Twatling Road, Linthurst Road, Shepley Road, Plymouth Road, Billy Lane and Brookhouse Road should not become part of Beacon Ward.
