## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Malvern Link

I live in the outskirts of Worcester. The vast majority of the area my current councillor represents is divided from my street by a dual carriageway with no means to cross on foot. The few houses around me are in every sense detached from the areas our councillor represents. Living on a large estate every other part is in Bedwardine

I believe the boundary of Bedwardine should be extended to the end of Bromyard Road and contain all of Ashford Road and surrounding streets.
