## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

We have lived at our grade 2 listed farmhouse for the past 20 years, we are and have always been part of the Belbroughton Parish, we shop at the local Spar, use the Deli and the post office in the village on a weekly basis.

We are part and parcel of the community of Belbroughton, we eat and drink in the local Pubs they are walking distance from our home so less impact on the environment, Our Doctors surgery is in walking distance and does a wonderful job serving the local community, we are members of the local running clubs and can be found every Sunday morning running through our beautiful local countryside, we regularly attend Church in the village and volunteer for the Parish council, we have no wish and can see no benefit to moving our boundary and making us part of an area that we have no affinity to.

Thank you for your time if you'd like to discuss the matter in more detail please feel free to get in touch.
