**Related subject:** Belbroughton Parish

I strongly disagree with being taken out of Belbroughton. Parish, Since moving in to the area 21 years ago, myself and my family have very much felt a part of this lovely community. I use Belbroughton as a place to socialise, shop, doctor's and for education. I would be devastated to no longer be a part of this Parish community. It is a place we can get to easily on foot, Hence I would say is important in this day and age to have an impact on our carbon footprint, something we are all be asked to consider.
