Comment text:

Related subject: Belbroughton

I strongly object to the proposed boundary change, we selected to live in Belbroughton as we fell in love with the community village. We love being a part of such a wonderful community we use the local doctors and pubs regularly, I feel no connection with catshill or Fairfield, and never use these areas nor their services. We also chose this area for the schools. I feel apart of the community of Belbroughton and would not be happy to be moved. The history of the area and that a lot of the houses on the Bromsgrove Road were once a part of Bell Hall of Belbroughton they should remain as such.
