Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Belbroughton

I disagree with the proposed redrawing of the boundaries to include Belbroughton/ Bell Health with Woodvale . Our links are to the village of Belbroughton and area - school , church, GP and social with no links at all to the site in the proposed re drafted area . We need to stay where we are and the current area permitted to increase slightly to accommodate the extra numbers , rather than us being removed.
