Dear Sir/Madam

I am sending this in response to the proposed boundary change of Bell Heath/End to be incorporated within the Woodvale/Catshill area. As a resident of Bell Heath/Bell End I strongly disapprove of the proposed boundary change. Myself and many local residents do not want to be part of Woodvale as we are out in the countryside and our rural voice will not be heard as Woodvale/Catshill will only be interested in the main urban area. The few of us in Bell Heath will be completely ignored as we are a minority.

We are all happy staying as part of the Belbroughton/Cleat parish. This change will also alter our schools and doctor surgeries and many people have used Belbroughton schools and surgeries for generations.

What's more infuriating about this decision is that not 1 local resident has been consulted on these ridiculous proposed changes. No letter has been posted through residents letter boxes or anything.

This stupid idea has come from someone having a "drive around" with nothing better to do than interfere in a small community and cause upset in the process.

Bell Heath/Bell End residents DONT and NEVER WILL relate to being part of Catshill/Woodvale.

I strongly recommend you look at the decision to merge Bell Heath/End into Woodvale and reverse your decision.

[REDACTED] ( NOT WOODVALE) Belbroughton Stourbridge DY9 9UU. 17th March 2024.
