To whom it concerns

I have lived at the above address with my wife and three children for the last 15 years. We moved from Stourbridge to be part of a rural community and to provide entrance into the local schooling . Obviously moving to this wonderful rural area was at great cost and to change the demographics of this would only bring negative results

- 1 Higher tax payers wouldn't be interested in moving to the area to access the local schools
- 2 Reduced property prices due to the above
- 3 No community spirit
- 4 Social problems
- 5 Access to local gp surgeries
- 6 No identity
- 7 Woodvale – no history

Why propose a change that has no benefits to anybody ?
