Trimdon Ward comments,

The ward should stay the same with boundaries, local amenities include Trimdon Avenue shops, Acklam Medical Centre, Salvation Army Church and Grenadier Public House which is the central location in the ward, also including the playground along the greenbelt at Bluebell beck which is our only playground.

The ward boundaries should be along bluebell beck as it is now as that's quite a noticeable line between wards whereas if it was somewhere else you wouldn't know which ward you were in and would have to look at the map.

I'm not sure whether the Ward should end at Saphwood walk either and another ward added with 1 elected member to cover the new estate off Jack Simon Way as that estate is going to fill all the existing farmland in Trimdon Ward and it will make it a large area.
