## Comment text:

**Related subject:** Ayresome Ward

The ward currently named Ayresome Ward covers land which is wholly to the west of Acklam Road/West Lane.  
The Ayresome area of Middlesbrough is wholly to the east of West Lane.  
Thus, none of the Ayresome area of Middlesbrough is in the ward currently named Ayresome Ward.  
To reflect the history of the area and the reality today, the ward should be renamed Acklam North.
