Re: COUNCIL WARD BOUNDARIES

As a resident of [REDACTED] Hemlington Grange which is presently affiliated to The Parish of Stainton & Thornton, I would much prefer to remain within this Ward and not merge with Coulby Newham or Hemlington.

A natural boundary already exists ie, Stainton Way to the north and Stokesley Road to the east which has created an automatic affiliation to our neighbours The parish of Stainton & Thornton and as we also pay an existing levy it makes absolute sense to leave the status quo as it is .
