Related subject: Proposed house building and spoiling greenspaces

The infrastructure cannot cope as the roads are in a dreadful state. Drs dentists ..schools ect are oversubscribed as it is . The roads are busy enough ..more houses will cause chaos
The green areas are unique your spoiling our environment..wildlife and trees.
Why.not just 500 houses 1000 is far to many ..
Residents have signed a petition..why aren't you listening yo them .. you can't even cope with whst you've got
Save done of the area for goodness sake snd build a park fir all our sakes
Stop ignoring that people don't want this
Local councillors are a joke they aren't listening and uou will ruin the town
We all.no you won't listen at all and it's shameful
