Related subject: Stainsby Hall Farm

I am a resident of Stainsby Hall Farm.

I feel like we are the forgotten few, we have a Stockton Post Code. Our post comes from Stockton, with this we get all the flyers regarding Stockton Council ie News about Stockton. Stockton council papers. Stockton councillor promotion papers. We get nothing about Middlesbrough council regarding any up and coming elections or anything that the council are aiming to promote etc.

I think we are meant to be in the Trimdon Ward but I've only ever had one councillor visit me in 14yrs, a Mrs Carolyn Dodds who has since left the role. We have had an unprecedented amount of building carried out on our doorstep and never had any council representation visit us and listen too our concerns. I attended the consultation meetings when they where held but felt we where not listened too with our concerns.

We appear to be more associated with Stainton and Thornton.
