Related subject: Marton West

I do not wish to see any change to the Marton West boundary. The ward boundary was amended in the previous review. Since then, our Community Council for the ward has functioned effectively, producing a Neighbourhood Plan for the ward, comprising four distinct areas of the ward, de Brus / Brass castle lane, Eagle Park, McInnes Estate and Gunnergate. Residents have supported the Neighbourhood Plan which was adopted in October 2020. Community Council meetings are well attended on a monthly basis. We have two councillors for the ward which is sufficient for our requirements

We have a clear, natural, boundary to the north of the ward, this being the A174. This borders the A174 to Fairy Dell

The addition of the Ladgate area, as proposed by Middlesbrough Council, would result in additional population being included, who have no linkages with the Marton West ward whatsoever and as I understand it, will lead to an additional councillor for the ward, with a subsequent reduction in another ward, creating an imbalance between wards
