Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

I work for a local London Borough which in 2016 separated itself into wards in order to deliver what it believed to be the best service to its localised community. I would urge the Council to ensure it has analysed the local data from census on deprivation, safeguarding, poverty etc in order to deploy adequate resources.
