**Related subject:** Mirfield

We live in Spring Place Gardens with a Mirfield address and a WF14 postcode but we class as part of the Dewsbury ward split. Within this review is it possible to capture all of WF14 within Mirfield, we live our lives in and around Mirfield, we shop in Mirfield, we drink in Pubs in Mirfield and dine in Mirfield restaurants, and class ourselves as citizens and members of the community of Mirfield as do most of our neighbours but we don't get to vote for Mirfield, or made to feel as though we belong. Looking at the Mirfield ward boundary it looks to be the whole of WF14 except Spring Place Gardens.

Being classed as Ravensthorpe/Dewsbury is insulting when we have nothing to do with that area.
