Comment text:

I am shocked and very disappointed that Netherton and South Crosland are to be separated . South Crosland is the parish of Netherton. The junior school in Netherton is South Crosland and Netherton junior school as is the Conservative club. My family were from South Crosland in the 1700s South Crosland was the Parish before Netherton once Netherton was developed it came under the parish of South Crosland . Whoever drew up these plans has no idea on the history of South Crosland and Netherton. I myself find that dividing the Parish is neglecting the history of Netherton . It seems to me Whoever put this proposal forward had no idea on this area .
