Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Currently live at [REDACTED] which is part of Dewsbury west right on the boarder for mirfield, I am many more of this same post coul would like the boundary moving so that this postcode joins mirfield. This will give my children better selections of schools as I've seen how difficult it has been for other parent to join high schools that are close by and told they have to go to high schools which are a lot further away
