Sir ,
May I oppose most strongly the proposal to create a new boundary between the Holme Valley South and Holme Valley North wards along Moor Lane & Thong Lane Netherthong, this would split the village of Netherthong completely in two , we are a close community with our own community groups ,our natural links are with Holmfirth ,but whatever the outcome Netherthong & Deanhouse should be in the same ward , I hope you take my views into account in this matter ,

Yours faithfully
