Related subject: Lindley Ward / Huddersfield North Proposal

The new proposals suggest that the “Lindley Park” estate is split in 2 between Lindley ward and Huddersfield north. This doesn’t make sense, as the whole of Lindley Park estate (Including Tennyson Avenue) should belong to the Lindley ward, not Huddersfield north, in our opinion. Also, we want to stay in the catchment of Lindley Infants / Junior school and do not want to be anywhere near the Fixby school catchment.
