Related subject: Boundary changes

I disagree with the proposed boundary changes. These changes split our estate in to two wards, Lindley and Huddersfield North. I will be moved to Huddersfield North while my neighbours stay in Lindley. I live just half a mile from Lindley and regularly visit the village centre yet my vote would have no impact on the area. I will now be voting for someone who affects Bradley, 5 miles from my house. I suggest a better boundary split would be to follow Halifax Road so that houses which have a Lindley address stay in the Lindley ward.
