Related subject: Lindley

I disagree with the proposed boundaries, as it seems odd that an estate would be split between two wards/districts. Especially when using the Halifax Road would seem like a more logical boundary. There is one section of the proposed Lindley ward/district that is on the other side of the Halifax road that would fit better into the Huddersfield North district instead of houses around Weatherhill Road, which are much closer to the "centre" of Lindley, i.e. the high street.
