I currently live on Haigh Road, Lindley, however the current new proposals would remove me from the Lindley political area to Huddersfield North. However, all the services I use are based within Lindley, the area I have chosen to purchase a house therefore want to be able to vote to benefit my life. Not an area I don't live and don't use.

I use Doctors in Lindley, if I have children they will go to the schools in Lindley. I use the Lindley roads, businesses, etc.

I feel strongly that the separation of the two political areas should be along Halifax Road, not up towards Crossland Road, which is within Lindley.
