I am a resident on Upper Batley Lane who comes under the electoral area of Batley West despite being 5 minutes on foot from Birstall centre. I would like the boundary to be amended so that we fall within the Birstall and Birkenshaw area. I do not feel that any councillor for Batley would have any interest in the residents of Upper Batley and feel we would be better served by the councillors for Birstall. The top of Intake Lane could be a boundary cut off or Windmill Lane School or even further along. Many Thanks
