Agree with the bulk of the proposal for the ward of Sherbourne, the only caveat is that Rushmoor Drive, Kilburn Drive, Fordwell Close, Maplebeck Close, Sunnyside Close and parts of Allesley Old Road previously within the boundary should stay within Sherbourne, this area had always been associated as Spon End/Coundon/chapelfields. A majority of the local community links fall within Sherbourne including parishes for faiths, community buildings and the infrastructure around this location.
