Related subject: Earlsdon Ward, Coventry

I support the counterproposal as submitted by the Conservatives in Coventry.
Living on Knoll Drive in Stivichall, in particular I support renaming Earlsdon ward to 'Earlsdon and Stivichall'. By including polling districts DD, DF, DG and PA, local people will recognise that the entire Stivichall community has now been united within one ward and offers the important distinction between Stivichall and Earlsdon communities.
