Re the review of the wards:

We live in Styvechale, but are part of Earlsdon Ward. You have Styvechale Grange which is part of Wainbody, but between us & Earlsdon. There are only a few roads in Styvechale which are classed as Earlsdon, before you get to Cheylesmore. Quite a mish mash! I think Earlsdon councillors are only interested in Earlsdon itself & we are forgotten about. We had no-one round to canvass for votes at the last election, so we didn't bother voting. So something needs to change, either we are part of a group that cares, or the councillors take more interest in us.
