Comment text:

Hi,

I am the leader of the Coventry Citizens Party, a party completely dedicated to representing local interests of local people. I have been consulting with other political groups in Coventry to ensure that the new boundaries are fair and keep communities together. I have concluded that the proposals by the Coventry Liberal Democrats and the Coventry Green Party are the proposals that are the fairest and keep together community ties. I believe their proposals are the best for Coventry and support them both.

Kind Regards,

Cameron Baxter
Leader, Coventry Citizens Party
